NICOLE KIDMAN
WERNER HERZOG
QUEEN OF THE DESERT

# DESERT ROSEBUDS

## Our Nic shows nip in *Queen Of The Desert*!

AUSSIE sweetheart **Nicole Kidman** has delivered an unexpected and AMAZEBALLS wet T-shirt scene in new movie *Queen Of The Desert*.

Nothing to do with Hugo Weaving and Guy Pearce in drag, it sees the sassy superstar revealing her PINK POINTERS through thin, clingy fabric as she takes a bath outdoors.

Nic plays writer, adventurer and spy Gertrude Bell, who was instrumental to British politics in the Middle East in the early 20th century.

Courageous Gertie spent years exploring every inch of the region…which is what we'd like to do to Nicole's sensational bod!

PHOTOS BY LIPSTICK SYNDICATION

SOMETIMES we get the uncontrollable urge to book a flight to some foreign land and get totally shitfaced for a few blurry days.

You do, too, so don't deny it.

Vietnam, Bali, Norfolk Island…all perfect spots for hardcore partying.

**Melissa Debling** is no different, dear readers. In fact, the 26-year-old busty Brit would be the first person we'd call if we needed a drinking buddy (not to mention fuck-buddy) to take on a holiday to some exotic overseas location.

> ‘I LOVE IBIZA… IT'S VERY SEXY AND EVERYBODY'S NAKED’

"I wake up fully clothed some nights after a big one," she laughs. "I get SO drunk that I just flop into bed without taking off my make-up. I've even woken up with my heels on and discovered a bag of Jelly Babies in my bed, too!"

We get boners just THINKING about playing with Mel's JELLY BABIES after a night out. They truly are tatas worth coming home to. Just look at them if you don't believe us!

"People think boobs are just about size, but shape and nipples are also important," Mel assures us. "I always get told nice things about my nipples."

Ms Debling, only a loon of a human being would DARE insult them. ▸

“I have great nipples that deserve to come out! They’re not too flat or too big – people just seem to appreciate them.”

Which is exactly why they’re in our magazine this issue, being appreciated in all their light pink glory.

Back to our holiday plans: it’s very important we go somewhere warm and tropical, so our new BFF packs only the…urm, BARE ESSENTIALS!

“I’m most badly behaved when I’m in Ibiza – I LOVE hanging out at Ushuaia Beach Hotel during the day. It’s very sexy and everybody’s naked!”

Starkers, booze-fuelled parties are the best parties. If only we got invited to them.

Still, if we brought Mel along with us to Kangaroo Island or wherever, we’re certain she’d know a truckload of like-minded babes, who’d be only too happy to come chill out with us in the nicky-noo-nah.

“Obviously a party means LOTS of booze, but nothing says PARTY like a garden full of models with a glass of bubbly.”

Yeah, sounds extremely classy to us. We’ll book those plane tickets.

‘I HAVE GREAT NIPPLES THAT DESERVE TO COME OUT’

**WE'RE glad you're happy, Hayden Panettiere – and we're even gladder to see you sporting that magnificent rack! The 26-year-old *Nashville* star, currently raising a bub with her giant boxer beau Wladimir Klitschko, was at the Critics' Choice Awards when our snapper did God's work by taking this shot.**

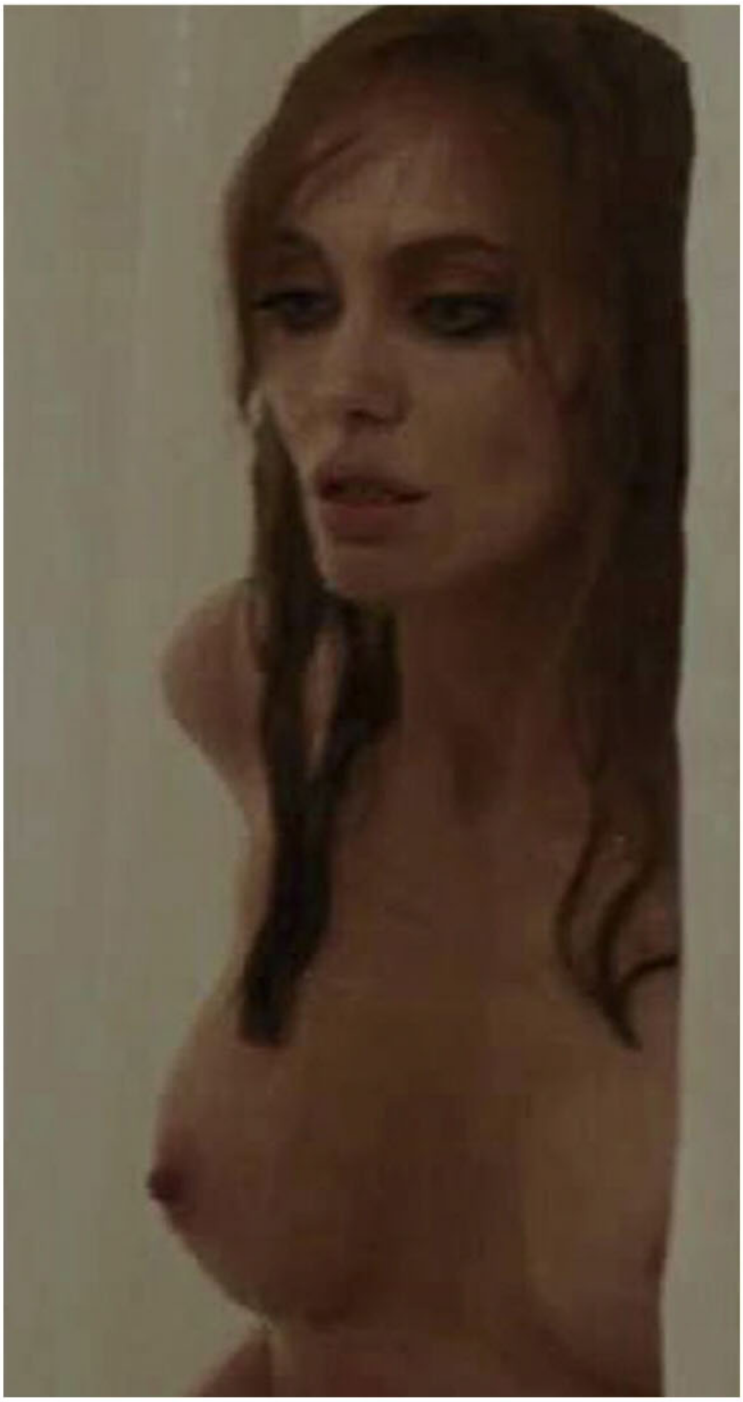
# RITA REVEALED!

POMGOLIAN songbird **Rita Ora** is known for her daring outfits, but she's NEVER unveiled as much of her insanely hot 25-year-old bod as in issue #24 of France's *Lui*, via the camera of Terry Richardson. Of course, it's still very "street", with bomber jacket, Adidas kicks, Kangol hat and suchlike – we'd expect nothing less from trendy Rita. Maybe next time she'll show us her urban groove.

# JOLIE GOOD!

SEA SWELLS

AFTER all she's been through, the eternally rootable **Angelina Jolie**, 40, continues to get 'em out on the big screen! On this occasion, it was in 2015 romantic drama *By The Sea*, which she not only acted in opposite hubby Brad Pitt but wrote, produced and directed. Think about that for a tick: there was no higher-up begging Ang to bare bosom in the movie. She WANTED to do it. Legend.



FOR SHORE

# SAND-TASTIC

IF WE had wet sand right down our sides, we'd look like a bunch of messy bastards. But when Los Angeles pin-up **Jennifer Martinez** does it, she looks like a goddamn goddess. Funny old universe, isn't it? Jen was on Malibu Beach when she rolled in sand and rocked the lens.

# CORR, BLIMEY!

IRISH popsters The Corrs, who sold about eleventy squillion albums in the 1990s, reformed last year following a decade's break. They've been touring ever since and the excitement of performing live in front of capacity crowds in places like Birmingham obviously hasn't worn off for slinky lead singer **Andrea Corr**, 41. By which we mean her nipples are erect. Sorry, we probably shoulda just said that to begin with.

THE veteran babes of Oz TV could take a tip from 43-year-old actress **Jenny Elvers**, who's done what appears to be a harem-themed pictorial for German *Playboy* (pics by Irene Schaur). "Our most sinful angel" proclaims the title. She might be the hardest working angel, too. Jen's been in more telly series than you've had motorboats from soaped-up strippers. Which, knowing *People* readers, is quite a few!

CLASSIC NUDITY

## RAW & PEACE

HISTORICAL epics aren't only long speeches and fancy costumes. Sometimes their characters say bugger all and sometimes they even wear bugger all. Like Brit thesp **Tuppence Middleton**, 28, in the new six-part adaptation of classic novel *War & Peace* (now screening on Foxtel's BBC First). You wouldn't kick her out of bed for eating beluga caviar!

When the beautiful and sexually talented Cindy Hope turned 21 she entered the porn biz and, eight years and 216 stick flicks later, she hasn't given up her day job. She's given a few jobs of another sort, however.**

# THE NEW MICHELLE PFEIFFER?

THAT'S what folks have dubbed 21-year-old catwalker Karlina Caune, seen here in a recent *Elle France*. There's definitely a resemblance, but there are also significant differences. KC's Latvian, for a start. And the past Ford Supermodel Of The World winner hasn't dabbled in acting, as far as we know. She was a military cadet as a teenager and plans to rejoin the armed forces. Let's hope Hollywood comes calling first, 'cos it'd be a shame to cover those assets in khaki.

# WHEN EAST MET BREAST

DETECTIVE series *Polizeiruf 110* ("Police Call 110") originated in East Germany during the Cold War and survived the fall of the Berlin Wall to become a favourite across the reunited nation. Is it any wonder with scenes like this skinny dip by 19-year-old actrine **Lola Dockhorn**? Crime-solving never looked so good.

Horny hostesses Joanna Angel and Anikka Albrite seemingly handed out a BILLION awards at the glittering affair. But we note the many gongs won by Axel Braun, including Best Director – Parody for *Peter Pan XXX*, which also won Best Parody and Movie Of The Year.

**Riley Reid** was rewarded for her enthusiastic performances to score Best Anal Sex Scene, Best Double Penetration Sex Scene and Best Girl/Girl Sex Scene. Not surprisingly, she was named Female Performer of the Year.

Sunny Side Up

The Original Pro Wrestling Diva

TAMMY SYTCH – aka legendary 1990s pro wrestling manager **"Sunny"** – has finally made her long-awaited XXX debut and it's more devastating than a punch to the cock!

The 43-year-old's maiden effort – ***Sunny Side Up: In Through The Back Door*** – features hard-core fucking (including ANAL) before Ms Sytch goes down for a FACIAL FINISH THREE-COUNT!

Adult film company Vivid sealed the deal to acquire her horizontal services when owner Steven Hirsch offered to buy her WWE Hall Of Fame ring for $100k, as long as she also agreed to appear in the splooge-fest.

Sunny agreed and the rest is semen-splattered history. She told journos that the movie was "no holds barred" and "pretty crazy".

Call us sad old-school rasslin' fans, but we've watched the vid two dozen times already.

And you can, too, by heading to Vivid.com! Now, let's get ready to GRUMBLE!

### Going Gaga

WE WERE stunned when this vid came out in 2013 featuring Lady Gaga in the nicky-noo-nah while trying out bizarre meditation techniques. We're even more stunned to see this is STILL on YouTube in 2016. Clearly, the site's censors are sleeping at the wheel.

**YouTube**: **"Lady Gaga appears completely nude in meditation video"**

# TOO RUDE!

## Watch the filthiest vids on YouTube …before they get taken down!

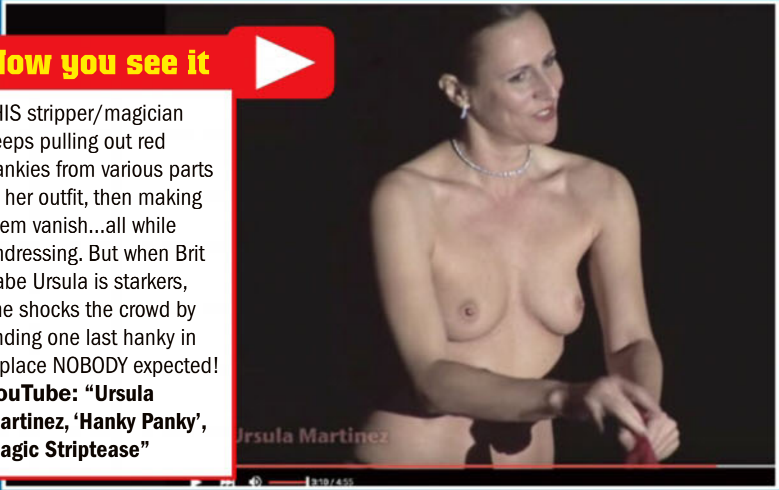
DON'T bitch to us about YouTube with statements like "It's lame!" or "It's too PG!" or "It doesn't have any naked tits!"

For starters, stop yelling at us, please. Secondly, if you know where to search, there's a surprising amount of bare boobs, bums and even BUSH on the video-sharing website that usually HATES nudity.

Naturally, as a public service to our readers, we spent many hours tracking down the raunchiest rudeness to save you the effort.

Why? 'Cos we're good guys, that's why!

NOTE: all these videos were available on YouTube as we went to print. But there's no guarantee some blue-balled bastard hasn't come along in the meantime and taken down a few of them. You've been warned.



### Now you see it

THIS stripper/magician keeps pulling out red hankies from various parts of her outfit, then making them vanish...all while undressing. But when Brit babe Ursula is starkers, she shocks the crowd by finding one last hanky in a place NOBODY expected!

**YouTube: "Ursula Martinez, 'Hanky Panky', Magic Striptease"**

### Fun'n'games

YAY! Time for some Aussie nudity. All the limp dicks are off-putting, but clothes-free reporter Ariana is cute as a button and looks pretty damn amazing. If only this year's Olympics proves to be half as entertaining.

THERE are tons of soft-core pornos on YouTube, but the best "Skinemax" offering is this pants-off potboiler with Shannon Whirry (left) as an oversexed wife of a cop. ## Winning streak

THIS clip takes us back to a gentler, happier time when a beer cost two bucks, U2 was still relevant and streaking was harmless fun that livened up an otherwise dull day at the cricket...instead of the capital crime it's now become. Fuck you, wowsers! **YouTube: "Sheila Nicholls Streaking Nude at Lords Cricket Ground, London, 29th May 1989"**

## Psycho thriller

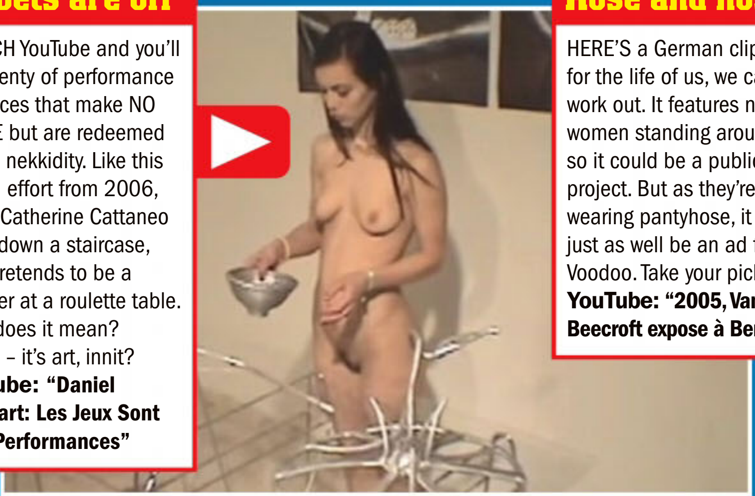
THE synthethiser music and grainy footage of a maniac chasing half-naked chicks makes you think you're watching a trailer for a 1970s Euro-slasher flick. But it's actually a music clip from 2013 called *Le Perv* by French electro band Carpenter Brut. **YouTube: "Carpenter Brut – Le Perv (official video)"**

## Maids in Japan

THIS hilarious news report pretends to praise the growth of nudist camps in Japan, but it's really a transparent excuse to show four hotties in the buff while playing soccer and table tennis, then chilling in a spa. Genius. **YouTube: "Nudism gaining popularity in Asia"**

## Daub the orbs

WE'VE never understood the fascination with body-painting. Why get a perfectly fine nude stunna, then cover her up with paint to make her look like she's dressed? Seems like a waste of time that could be better spent jerking off. Still, this vid's pretty cool of Paul Roustan going to town with his paintbrush. **YouTube: "SuperScar Time Lapse Body Paint by Roustan NSFW"**



## All bets are off

SEARCH YouTube and you'll find plenty of performance art pieces that make NO SENSE but are redeemed by ace nekkidity. Like this French effort from 2006, where Catherine Cattaneo walks down a staircase, then pretends to be a croupier at a roulette table. What does it mean? Dunno – it's art, innit? **YouTube: "Daniel Rothbart: Les Jeux Sont Faits Performances"**

HERE'S a German clip that, for the life of us, we can't work out. It features nood women standing around, so it could be a public art project. But as they're all wearing pantyhose, it could just as well be an ad for Voodoo. Take your pick. **YouTube: "2005, Vanessa Beecroft expose à Berlin"**

## Bike crikey!

RIDING a bicycle is uncomfy when you're clothed, so we can't imagine how awkward it is to pedal in the buff. ## What's up, Doc?

CLASSIC sexploitation cinema, *Dr Sex* (1964) is full of bad puns, bad acting and, thankfully, TOP TITS. Director Ted V. ## The Deep end

WHAT happens when you give naturists state-of-the-art video cameras? You get lots of HD footage of chicks' baps and vaginas while chillin' at the Deep Creek Hot Springs in California. Also, you see a few limp-dicked blokes playing hacky sack, which should be a crime punishable by DEATH.
**YouTube: "Naked GoPro Adventure at Deep Creek"**

## The bare truth

THEY say sex sells, but Elave took that old adage to another level in 2007 when it produced the greatest commercial ever! Sadly, this ad for the Irish company was a Net-only thing. ## 10 porno hotties!

THROUGHOUT history, man has been fascinated by women with blonde hair – think Helen Of Troy, Queen Boudica and Marie Antoinette – but this obsession has become more pronounced in the past 100 years.

Whether it's actresses (Marilyn Monroe, Sharon Stone, Pamela Anderson), pop stars (Doris Day, Madonna, Debbie Harry, Gwen Stefani) or politicians (hubba, hubba, Bronwyn Bishop!), blokes have been rubbing one out over golden-tressed gals for ages.

These days, blokes worship a new group of platinum-locked spunks: PORN STARS! They may be bottle blondes, but we don't give a rat's arse that the curtains don't match the carpets. If they even have carpets.

Let's check out TEN of the best and find out why blondes have more fun… of the filthy variety.

GUT CHECK!

# ‘MARK HUNT’S PUNCH SHOOK MY SOUL!’

## The day the “Super Samoan” met the super stomach!

WHEN we saw a video of a dude taking a MIGHTY gut punch from feared UFC heavyweight Mark “Super Samoan” Hunt – and LAUGHING IT OFF – we just had to speak to the deadset hero with the STOMACH OF STEEL. He’s 20-year-old **Emiliano “Noodles” Rivera**, a student of champion kickboxer John Wayne Parr…and his nephew. Still, having a great teacher doesn’t automatically give you the ability to absorb a KO punch like Homer Simpson copping a cannonball. How did Noodles survive such a fearsome blow?

**G’DAY, Noodles! How did it feel being blasted by Mark Hunt, one of the hardest-hitting knockout merchants on the planet?**

“It shook my soul. I’ve never been hit harder in my life. I mean, I’d never let him punch me in the head in the same way.”

**We don’t blame ya! When did you realise you could withstand a shot to the belly that’d floor an average bloke?**

“I was sparring with a friend and he hit me with a straight punch, full power, in the stomach. He said, ‘I’m so sorry.’ That’s when I realised it didn’t affect me.”

**Getting accidentally punched by a mate is one thing. How did you end up getting walloped by the Super Samoan?**

“He and my uncle [John Wayne Parr] both fought in K-1, so there’s a camaraderie there. Mark was doing some rounds here at Boonchu Gym in Burleigh Heads ahead of his UFC fight in Brisbane [see sidebar]. At the end of the session, just for fun, we decided to turn on the camera and see if my stomach was ‘almost indestructible’ like people in the gym say.”

**Sooner you than us! Erm…did you get your nickname from eating lots of pasta?**

“No, it goes right back to when my mum was pregnant with me, and my aunt referred to me as ‘it’. My grandma said, ‘That’s not an it – it’s a little noodle!’ The name’s been with me since then.”

**What’s your martial arts history, Noodles?**

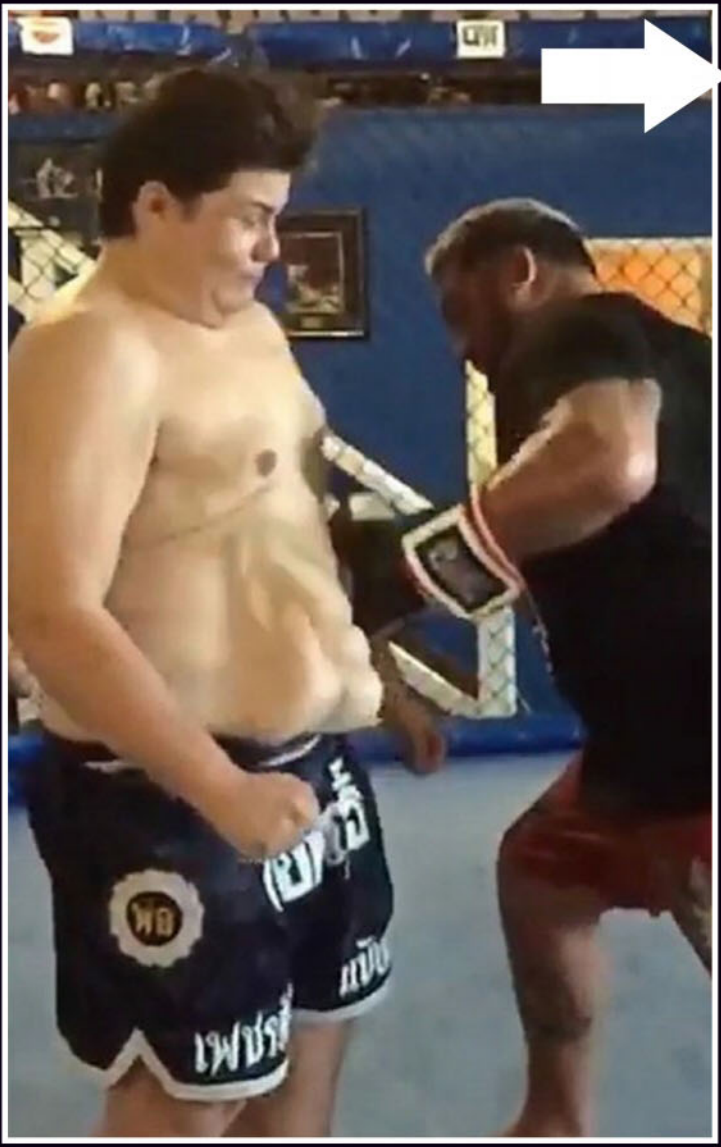
“I mucked around with kickboxing for a few years in the US, then took a break. But I’ve only been training seriously for 10 months.”

**What’s next for you?**

“I’m 3-2 in amateur fights so far and I’ve got another bout happening on February 20 at ‘Battle By The Bay’ in Cleveland. My dream is to back up from that and fight again on the Caged Muay Thai 8 show on March 4 in Logan.”

**If you can laugh off a body blow from the great Mark Hunt, then anything’s possible!**

**✦ You can follow the further adventures of Noodles at instagram.com/emiliano303 and twitter.com/djemiliano.**



Hope this is covered by Medicare...
Unstoppable fist meets immovable belly

**'I'D NEVER LET MARK PUNCH ME IN THE HEAD IN THE SAME WAY'**

## FIGHT NIGHT

NOODLES may be a cult figure in the making, but **Mark Hunt** has been a fan favourite for decades thanks to his no-bull attitude and ability to KO anyone whose face is unlucky enough to come in contact with his fist.

The "Super Samoan" will enter the Octagon on March 20 in Brisbane to meet fellow heavyweight MMA legend Frank Mir in the main event at UFC Fight Night 85.

In the meantime, here's a never-before-seen pic from our Feb. 2, 2015 feature on Mark, where he showed his sense of humour is as big as his talent.

He was certainly a lot gentler with female reporter Janice than he was with Noodles' tummy!

### Smokescreen

DURING smoko, a bloke asks his mate if he can bum a cigarette.

"What happened to your so-called New Year's resolution to give up the ciggies?" the pal says with a raised brow.

"Oh, I'm still sticking by my resolution. I'm just in phase one of quitting."

"What's phase one?" asks the mate.

"It's where I've stopped buying my own."

**Andrew, Vic**

### Natural remedy

AFTER having a little bit too much fun in Thailand, Dave noticed some odd blisters growing on his willy. Panicking, he went to his local GP, who told him he'd contracted an incurable STI.

"I'm sorry, but there is no treatment for this. The only way to stop it from quickly spreading to your whole body is to amputate your penis."

Poor Dave was horrified. He went to see other doctors, but all of them gave him the same terrible prognosis.

Out of desperation, he visited a Chinese herbalist for an alternative opinion.

"Ah, this alright, no need to operate!" grinned the wisened old herbalist. "I give you magic herbs, you rub on pee-pee. Soon, problem fix itself!"

Dave rubbed the herbal ointment on his dick and was really impressed: "Wow, all these specialists told me they'd have to amputate, and all I really needed was herbs? Alternative medicine is amazing!"

"Yes, herbs very powerful," agreed the Chinese guy. "You apply once and, in three days, pee-pee shrivel up and fall off by itself!"

### The price of love

MY WIFE went ballistic at me 'cos she found out I'd been visiting brothels every week.

"I can't believe you've been cheating on me with hookers!"

"Can you blame me? It's not like I've been getting any from you!" I said.

She retorted, "Well, you never told me you were willing to pay for it!"

### Ears looking at you

LIL' JOHNNY'S aunt gave birth to a boy. Unfortunately, the new baby was born without ears.

Before they went to visit his aunt, Johnny's dad gave him a grim warning.

Now, your new cousin was unlucky enough to be born without ears," he said. "However, if I hear you making fun of him, mentioning his missing ears or even saying a SINGLE word about ears, you'll get a hiding you won't forget!"

"Don't worry, Dad, I totally understand," came the reply.

When they reached the aunt's house, Lil' Johnny walked into his cousin's bedroom, peeked in the crib and gushed, "What a beautiful baby! He has an adorable face, nice thick hair, a cute nose, and perfect little hands and feet."

His aunt was used to Lil' Johnny being a smart-arse, so she prepared herself for a rude comment about the child's lack of ears. But surprisingly, he just smiled and played with the baby.

"And such big eyes…" the lad continued. "Can he see alright?"

"Oh, yes," said Lil' Johnny's aunt. "The doc says he'll have 20/20 vision!"

"That's great," exclaimed Lil' Johnny, "'cos the poor cunt will be fucked if he ever needs glasses!"

### American English

TWO Americans, Stan and Chuck, were walking down the street when a tourist approached them, looking lost.

"Sprechen sie Deutsch?" he asked the pair in German.

"Er, sorry, we're Americans. We don't understand," said Stan.

The tourist tried again in French: "Parlez-vous Français?"

"We told you. We don't understand," said Chuck.

Still the tourist persisted: "Habla usted Español? Parla Italiano?"

The two Americans just looked at each other and shrugged. Finally, the tourist threw up his hands in frustration and walked away.

Stan asked Chuck, "Hey, did you ever think about trying to learn another language?"

"Hell, no!" replied Chuck. "That guy knew four – and look how much use they were to him!"

# ‘SEXUALLY, I’M YOUR DREAM GIRL’

FREE spirit **Liza**, 23, is half Brazilian and half Russian, with the result that the perv-worthy Perthling looks like a nuder, breastier, more boner-inducing Victoria's Secret model. We really hope this well-travelled goddess ends up at our local one day so we can ask her, "Got any Aussie in you? No? Then would you like some?"

**WHAT'S the best pick-up line you've ever heard, Liza?**

"Y'know, a guy has never used a pick-up line on me, which is disappointing. I've read a few funny ones like, 'Does this rag smell like chloroform to you?'"

**Wait…WHAT? We can't believe blokes don't hit on you.**

"My girlfriends tell me that my looks are intimidating, but I'd be up myself if I believed that! I'm just an ordinary girl…with a nice butt and boobies! Most men will never find out how nice, though, if they don't approach me."

**If we did muster up the courage, where would be the best place to ask you out?**

"Whenever I travel, I do a lot of casual bartending work as well as dancing in ▸

'I'LL ALWAYS SWALLOW A LOAD'

strip clubs, so I'm kinda sick of hanging out in those places. I prefer meeting people in the light of day. I'm a hippie at heart. I love boho music festivals, listening to psy-trance and going to random bush doofs with my Aussie mates. I love getting all earthy and stuff – dancing around topless in fisherman pants!"

**Freaky tunes and free love all the way! You a good dancer?**

"I'm a GREAT dancer! I've done samba and other South American dancing for years. I can pump my hips and booty really well. I've done a lot of pole dancing, too, so I can pull some serious moves!"

**Pole dancing is a skill that every woman should acquire.**

"Yeah, and it takes a surprising amount of strength! I'm proud of the way I can climb the pole upside down and do a human flag…though when I stripped once in a club in Queensland I did that trick and the blokes didn't really care. They only wanted to see my pussy! I was a bit disappointed."

**They just don't appreciate fine art. Still, they'll appreciate the hell out of this pictorial!**

"Photos are great, but what's better is having the real thing in your hands and in your face! And, um…in and around your mouth."

**What are you into in the bedroom?**

"Sexually, I'm your dream girl. I love giving blowjobs, and I'll always swallow a load. Why do I enjoy them so much? 'Cos there's no better feeling than making someone else moan with pleasure. I don't mind if guys go down on me, but it's not essential. I prefer to give than receive!"

**LUCKY DIP**

**WHAT was the last good movie you saw?**

"*Sisters* was a lot of fun. I nearly peed myself laughing. Tina Fey is my girl-crush."

# LADIES LOUNGE

**JEZABEL** | 25 | People's Choice, Dec. 7

WHAT'S YOURS, DARL?

**WHAT'S your go-to party beverage?**
"To be honest, I'm not a party animal! I'm more of a nerdy recluse."

**That seems hard to believe! You don't like to let loose?**
"I'm not much of a drinker, but I don't mind the odd vodka. I'm a total lightweight though."

**One drink and your anybody's?**
"Yes. I once played a strip drinking game on cam. Three vodka shots and I was naked and riding an office chair around the room."

**RUSSIAN ROULETTE:** A drinking game where everyone ends up plastered or naked... OR BOTH! Use identical shot glasses for all participants. Fill every glass with water except one that contains vodka. Shuffle them, then everyone takes a shot. The one who got the vodka picks someone to strip. Each new round, add more vodka shots. Sounds like a game you can't lose!

# BENEATH THE MASK

## These fighting-fit femmes are hiding nothing but their identities!

WE'D always associated masks with former WWE superstar Rey Mysterio and that gimp from the film *Pulp Fiction*. But ***Lucha Diabolica*** has opened our eyes to the fact that when worn by the right person – namely a naked young woman – masks can be FUCKING SEXY!

This high-quality tome features dozens of hot hooded chicks showing us their tattoos and, better still, the places where they DON'T have tatts!

The masks they're sporting are normally worn by Mexican professional wrestlers – known as luchadores – but talented erotic photographer **Cat Pettus** has replaced burly grapplers with erection-inducing spunks. Genius!

She calls *Lucha Diabolica* "a fiendish spectacle not for the faint of heart" and "an extraordinarily erotic ride filled with boobs, masks and mayhem".

Which is a helluva way to sell ya book! So what does it offer readers, Cat?

"Page after page of beauties of every shape and size as they bare it all, clad only in the mysterious masks of the luchadores."

Fair enough. Pick up a copy of *Lucha Diabolica* and you'll be overwhelmed with the urge to put your cock in a CHOKEHOLD!

### WHAT'S THE GO?

# FIFTY SHADES OF GREY

## We only care about Dakota's single shade of pink

THERE isn't a man on this planet who wanted to watch *Fifty Shades Of Grey*, but every single one of us was forced to do so by our significant others.

Which is why we will never, never, NEVER forgive them.

Oh…who are we kidding?

The next time they offer us a BLOWIE, we'll be putty in their hands all over again. So we'll keep on watching these crappy chick flicks, 'cos we are slaves to the pussy, fellas.

Speaking of slaves, that's the subject matter of this based-on-a-book blockbuster.

It's about virginal journalist Ana (**Dakota Johnson**), who lands an interview with mysterious rich dude Christian Grey (Jamie Dornan). They have an instant connection and before you can say, "Smack my arse with a hairbrush!" they're exploring the darker side of sex, including bondage. This means there's a fair bit of nudity on Dakota's part.

Apparently, a sequel will be released in 2017. Looks like we'll be watching that bloody movie, too. SLAVES TO THE PUSSY, we tell ya!

**NEXT ISSUE: The B-grade rip-off of *Fifty Shades Of Grey*, featuring the A-grade cans of Charisma Carpenter!**

## GOING IN DRY

A CONDOM machine that doubles as a breathalyser has been introduced in the UK. It dispenses free frangers – but only to sober peeps, which seems pointless. Is the device meant to discourage folk from DRUNKEN SHAGGING? Hell, if it wasn't for beer goggles on chicks, we'd NEVER get laid!

# GONE WITH THE WIND

er, HOWZAT?
BRATT
It's JUST NOT cricket!

AS I like to say, home is where the FART is. It means a woman who's OK with me passing wind in her presence is totally OK by me.

Unfortunately, a good night with a sexy lady ended badly after I tested out her "staying" power.

I was at the cricket with my mate Paulie and we'd been hammering the mid-strengths all night when I decided to get talking to the chick to my right.

Ainslie wasn't into the game at all and only came that night 'cos her friend had a free ticket.

I bought her a few drinks and before I knew it we were at a pub outside the venue getting to know each other a little better.

"I'm not going back into that boring stadium," she said, "so do you have any ideas, Mel?"

I told Ainslie my place was a mere half-hour walk with a few pubs along the way, so off we went.

When we'd bypassed the third and final pub I realised – or hoped – that she was thirstier for cock than beer. How right I was.

We were barely through the door at my joint when she unzipped my fly and shoved a hand down my pants. She kissed me urgently and had my old jeans down to the ground seconds later.

> 'HER EYES LIT UP AT THE SIZE OF MY MAN MEAT'

Her eyes lit up at the size of my man-meat and she worked her way around it with surprising experience.

The highlight was sliding my knob into her hairy smoo and watching as those beautiful boobs rocked and swayed while I thrust away.

As we got towards the huge climax Ainslie raised herself and got ready for a cumshot to the mouth...which is when I let rip a MASSIVE fart.

She was so outraged that she stopped what she was doing, told me I was a rude bastard and walked out.

It was a bit harsh, but at least I realised she wasn't marriage material.

# CUMTREE

I BOUGHT something off that Gumtree website recently and scored more than I bargained for.

It was nothing fancy: just a cheap-arse pine table for my dark and dismal one-bedroom apartment.

Anyway, I showed up to the address with a blue note in hand. The chemistry between me and Marlene, the backpacker who was selling the table, was instantaneous.

She invited me in for coffee and we were making out in her kitchen before either of us knew what the hell was going on!

I grabbed her tanned titties as we fucked each other's brains out right there on the bench.

> ‘WE FUCKED RIGHT THERE ON THE BENCH’

Marlene's Swedish smoo was utterly divine.

We ended up in her sparse bedroom with her on top as we humped away till both of us came at the same time.

Afterwards, we lay there speechless and sweaty till I told her I should probably look at the table.

It wasn't worth $20, but I felt obliged to take it off Marlene's hands.

So I gave it a thorough inspection to make sure it wasn't too crummy.

As for me and Marlene, we swapped numbers and are casually rooting now.

You sure can find love in strange places – it was the best buy ever!

# FESTIVE FUCK

EVERY Christmas my fella treats me to a Yuletide root to remember and last year was no exception!

While Gary prepared a nice dinner with roast potatoes and turkey, I dressed in some new lingerie Santa had given me as an early pressie.

I walked into the dining room and ate the delicious feed while eyeing Gary and telling him I had a taste for his turkey-baster instead.

I ducked under the table and feasted on his fleshy wishbone while Gary continued to feast on the delicious meal.

He was ready to go in a few seconds and I ate as much of his meat as I could while he did the same above me.

> ‘GARY WAS HARDER THAN A CANDY CANE’

I mumbled between chomps that we should take it to the sofa and, once there, I popped my plump puddings out from my bra and let Gary nibble on them.

I slipped off my red'n'white panties and held some mistletoe above my pussy. I spread my legs and felt all my presents come at once as he filled me up like a stocking with his pork sleigh.

Gary's hips worked back and forth as he shagged me, breathlessly singing *Santa Claus Is Coming To Town* between pumps.

Like some sort of holy miracle, Gary was HARDER than a candy cane, which turned me on to the point I felt an orgasm building.

He rubbed my throbbing clit – which was redder than Rudolph's nose – until finally I exploded like a high-class Xmas cracker.

I had Gary's eggnog all over my boobs and stomach moments later. Talk about a white Christmas!

We can't wait till next December. Ho! Ho! Ho!

# PEOPLE'S CHOICE

**BAYWATCH**

The Rock will star in a film remake of the 90s TV series in 2016!

**FEMME FACTS**

**Name:** Pam
**Age:** 36
**From:** Venice Beach, California

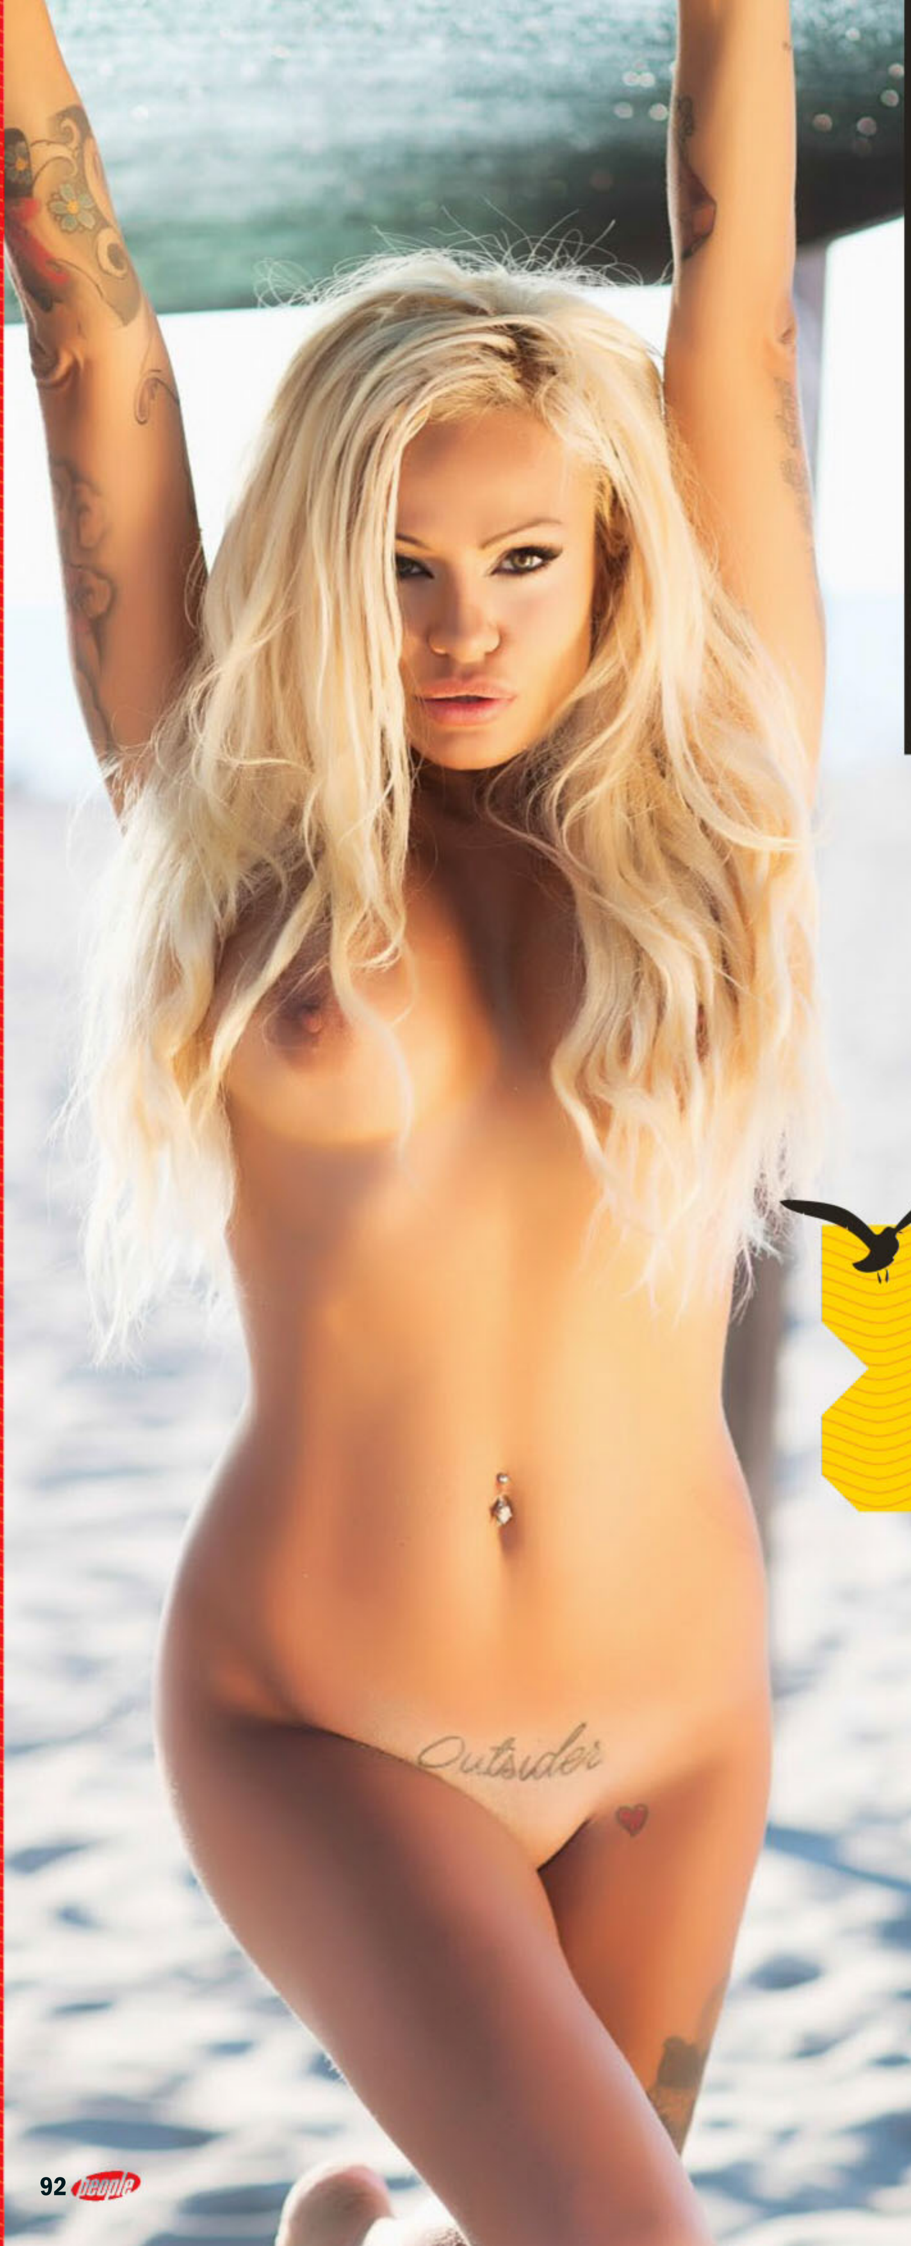
**What's the guts?** Surf's up and we don't even care that we can't swim...as long as the lifesaver rescuing us from drowning is gorgeous Pam.

# Lay WATCH

We can't take our eyes off this familiar-looking beach babe!

HOLY surfboards! We have May 19, 2017 marked on our Hello Kitty calendar, because that's the day the new movie version of our all-time fave TV series *Baywatch* hits the big screen!

The buddy comedy flick may not feature David Hassel (with or without the "Hoff"), but it WILL star Dwayne "The Rock" Johnson! ▸



We assume Dwayne will leave the red swimsuit action to his crackin' co-star Alexandra Daddario. Good decision, Rock.

Frankly, we can't think how *Baywatch* could be improved as a cinematic viewing experience…unless a cameo spot was found for stunning **Pam**.

The California gal admits she was hooked on the original TV series in the 1990s, especially when a certain busty blonde arrived on the beach.

"I became a huge Pamela Anderson fan right from the outset," she laughs. "Can't you tell?"

Actually, now you mention it, mate…

## 'I USED TO BE A ROCK'N'ROLL GROUPIE'

"I've based my looks, everything, on Pammy. I think she's fucking amazing!"

But has OUR Pam rooted any elephant-sized rock star cocks like Ms Anderson did on her honeymoon?

"Haha! I used to be a rock groupie slut when I was younger, but I never fucked Tommy Lee…or a dick as big as his. But I've had a few foursomes – and MORESOMES – where every hole was filled by lovely man-meat."

How does that feel?

"You feel full – stuffed to the gills – but it also feels incredible. The orgasms are so intense."

Yowsers! And has Pam ever shagged a genuine lifesaver?

"Oh yeah, I've enjoyed mouth-to-mouth resuscitation with a few of them… although I prefer ASS-TO-MOUTH!"

Fev's drunken interview technique at the 2009 Brownlow Medal was ...unorthodox

# SATURDAY NIGHT FEVOLA

## Ex-AFL star hopes to redeem his sordid past

Now that former AFL bad boy **Brendan Fevola** has joined the cast of *I'm A Celebrity, Get Me Out Of Here!*, it's safe to assume his partying ways are behind him – at least for the time being.

After all, how much trouble can he get into eating bugs in the African jungle? Anyway, he reckons he's a reformed man these days.

But for a while there "The Shag" was about the craziest thing on two legs going round in the AFL circus.

Yeah, Fev was a real handful, even as he was kicking bags of goals for Carlton and winning heaps of awards.

The 191cm, 100kg unit was only a couple of years into his career when it became apparent he was a tad…HIGH-SPIRITED.

After a few beers, his quest for big fun would take over and nobody, least of all Fev, knew where it was going to lead him.

Little things, like trying to nick some jackets from a drycleaners, or having a deep and meaningful discussion with the security at Melbourne's Crown Casino, soon came to the attention of the powers-that-be at Carlton, but the fines and suspensions didn't dampen his exuberant spirit.

In many ways, 2006 was a watershed year for the big fella – he just couldn't keep out of the spotlight if he tried. Not that he tried too hard.

Picked in the Australian International Rules team to tour Ireland was a big honour, but he was sent home after getting on the piss and having a friendly wrestle with a barman, who apparently wasn't even trying to wrestle back.

It was also the year he met the soon-to-be-famous Lara Bingle and started an affair with her – which would have been fine, except Fev was married with a brand-new bub, all of which was apparently news to the Bingster.

As much as he was smashing it on the field, Brendan was still getting up the nose of Carlton management off it.

Another fine and his last warning came when he was caught pissing on a window outside a Melbourne nightclub in 2008.

They finally cracked after his now-legendary on-camera antics – pissed as a chook, of course – while in charge of a *Footy Show* microphone during the broadcast of the 2009 Brownlow Medal.

As a result, Brendan was off-loaded to the Brisbane Lions, where he lasted just one season before, due to several indiscretions, they felt they no longer had need of his services, either.

That was also the year the Bing fling came back to bite him on the bum when a cheeky nude snap he'd taken of her in the shower somehow ended up in *Woman's Day*, and Lara threatened to sue him for defamation and breach of privacy.

And right on the heels of that legal brouhaha, Fev's long-rumoured gambling problem finally surfaced when he confessed he'd blown a cool million on the gee-gees and poker.

But that's the past. These days, he reckons getting sacked from the Lions was the best thing that could've happened to him, and that playing for and coaching Victorian regional side the Yarrawonga Pigeons is way more fun.

Righto, get back to eating those bugs, Fev…

# WIN STUFF!

## FAR CRY PRIMAL

**Ubisoft, out Feb. 23 on PS4 & Xbox One, out March 1 on PC, RRP: $99.95 (PS4/Xbox)/$89.95 (PC)**

**What's the guts?** Ever wanted to rumble with a sabre-toothed tiger or a big woolly mammoth? Well, now you can in the highly addictive *Far Cry Primal*. But don't expect it to be a walk in the park, pal. There are no laser guns or grenades here: just the weapons you can build yourself from the available materials. Will you live long enough to become king of this savage world or will you become some critter's lunch? Good luck…'cos you're gonna need it.

**Anything else?** This game is the latest instalment of the award-winning franchise and sees players fighting for survival in the perilous Stone Age! Huge prehistoric monsters, enemy tribes, spectacular environments and brutal, kill-or-be-killed gameplay mean you'll be facing danger at every turn.

**Final word:** Sophisticated primitive fun!

UBISOFT

WIN!

THE evolved champs at Ubisoft have sent us FIVE PS4 copies of *Far Cry Primal* to share. To enter, **just tell us IN ONE SENTENCE about your favourite prehistoric creature**. The five answers that hit us like an angry cave bear will take home a game. Mark your entries "*Far Cry Primal* comp".

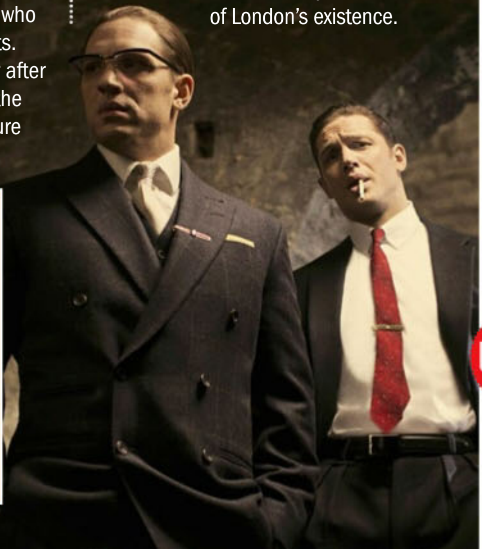
## Legend

**Universal Sony, rated MA, out Feb. 18, RRP: $39.95 (DVD)/$44.95 (Blu-ray)**

**What's the guts?** London's underworld in the 1950s and 60s was ruled through fear and extreme violence by the psycho Kray twins, Ronnie and Reggie. By night, they ran hip nightclubs and hobnobbed with royalty and movie stars. By day, they tortured and smashed anyone who got in the way of their illegal pursuits. But they eventually came a cropper after killing some folks. The Krays spent the rest of their lives in jail. Still, they sure had some fun first.

**Anything else?** Tom Hardy is effin' brill portraying BOTH twins – rough'n'ready ladies' man Reggie and his even more insane gay brother Ronnie. While the film plays some of their antics for laughs, there's an underlying terror: it's cool to watch the Krays fuck up shit on the screen, but you wouldn't have wanted to actually meet the bastards.

**Final word:** They were the bane of London's existence.



WIN!

LEGEND
MA 15+

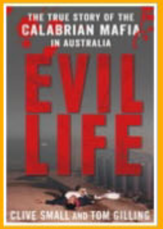
IT'S a fair cop. We have FIVE DVDs up for grabs courtesy of the likely lads at Universal Sony. To get yours, **just tell us IN ONE SENTENCE someone you consider a true legend and why**. The five most Kray-ative answers will win a DVD. Mark your entries "*Legend* comp".

## Evil Life

**By Clive Small & Tom Gilling**

**Allen & Unwin, out now, RRP: $32.99**

**What's the guts?** Flick off that DVD of *The Godfather* and take a gander out yer window: the real-life Mob are probably doing their dirty deeds next door! This shocking book reveals that the Calabrian Mafia – Australia's oldest, biggest and deadliest crime syndicate – is making billions and, thanks to their cruel and clever tactics, appear to be untouchable.



**Anything else?** The Mafia's claws are in every illegal enterprise, yet the cops deny the Mob even exists. Well, *Evil Life* blows that claim out of the water. Through meticulous research and searing interviews, Small and Gilling show how the Mafia has made Australia one of its key outposts in a global criminal empire.

**Final word:** We're making you an offer you can't refuse: READ THIS BOOK!

WIN!

WE'RE giving away THREE copies, thanks to our mates at Allen & Unwin. To get yours, **just tell us IN ONE SENTENCE who's the world's biggest uncaged crim and why.** The three most sinister answers will nab a book. Mark your entries "*Evil Life* comp".

**IMPORTANT!**

**Send entries to: *Win Stuff!*, c/- *People*, GPO Box 2860, Sydney, NSW 2001. Or email them to people@bauer-media.com.au. Entries close at 5pm on March 18.**

## The Walk

**Universal Sony, rated PG, out Feb. 18, RRP: $34.95 (DVD)/$39.95 (Blu-ray)/ $44.95 (3D)**

**What's the guts?** Walking? What's all the fuss? We've been walking since we were babies...well, toddlers. Just put one foot in front of the other and try not to fall over. Piss-easy, right? Unless you choose to stroll along a rope stretched from the top of one skyscraper to another. With no safety net. At that point, we'll say "Pass!" and leave it to an expert, OK?

**Anything else?** Back in 1974, tightrope walker Philippe Petit got it into his head to do his high-wire act between the World Trade Center towers in New York. Then the crazy Frenchman went and DID IT, overcoming scary physical obstacles, betrayals and close calls with the authorities. This film retells his incredible story and is worth checking out for the breathtaking camerawork alone.

**Final word:** Watch out for nosebleeds.

**WIN!**

WOOT! Universal Sony has posted FIVE DVDs to us to hand out. To win a copy, **just tell us IN ONE SENTENCE about the most daring place you've gone walking**. The five most adventurous answers will score a DVD. Mark your entries "*The Walk* comp".

## Lap Dance

**Eagle Entertainment, rated MA, out Feb. 24, RRP: $29.95 (DVD)**

**What's the guts?** When a chick decides to become a stripper in order to pay her bills, it puts incredible pressure on her marriage...and male viewers' UNDERPANTS. Now that she has a taste for her exciting new career, she has no plans on going back to her old life ...much to the dismay of her husband. Frankly, we don't know why he's whinging so much. Most blokes would kill to be married to a stripper.

**Anything else?** Sexy-as Ali Cobrin plays the aspiring exotic dancer. While we were impressed with her talents (we mean her TITS), the best performance in *Lap Dance* comes from legendary stunna Carmen Electra. Carms proved she could be funny in flicks such as *Scary Movie* and *Meet The Spartans*, but she proves she's equally good in serious fillum fare like this one. And she's still hot as fuck, which doesn't hurt.

**Final word:** Lap it up!

**WIN!**

THE groovy dancers at Eagle Entertainment have sent us FIVE DVDs for this contest. To enter, **just tell us IN ONE SENTENCE your best strip-club experience and why.** The five most bump'n'grind answers will receive a prize. Mark your entries "*Lap Dance* comp".
